ABSTRACT

Statistical data on degrees conferred by public and private colleges in New York State for 1988-1989 are presented, with attention to the sex of recipients, level of degree, major subject area, and the sector of the institutions (public/private, etc.). Information is reported on the following types of degrees: associate, bachelor's, first-professional, master's, and doctoral. Degree data are presented for each institution and for the following categories of institutions: total state, total public, total public regents college degrees, total State University of New York (SUNY), total City University of New York (CUNY), total independent and 10 types of independent institutions, total proprietary, total two-year, total four-year and higher, and total graduate only. The number of bachelor's and higher degrees conferred for each subject area is also specified by sector and major subject area. In addition, trend data in degrees awarded by year since 1984 are provided. (LPT)
